Christmas cheer to the needy kiddies! Good things to eat for those who suffer from hunger! Who is there who will not and who cannot spare just a small amount of their Christmas money to bring happiness to people of poorer circumstances! The Salvation Army is the one organization with the glad hand extended that finds and helps the pitiable cases in every city. In Barre there are two kettles placed at advantage on Main street. Everyone is urged to drop in some amount, no matter how small, and enable the local officers to supply baskets enough for a large list and to provide a Christmas tree and toys to the children. Gifts of fruit, jelly, other eatables, toys and the like will also be deeply appreciated by the Army. Let us all have a hand in spreading this distinct Christmas joy.
